

Assignment 2 : Project Proposal

IT3040 – ITPM

Semester 1

Details

Weighting	The assessment is worth 9% of the overall marks for the unit
Commencing Date	16 February 2026
Evaluation Criteria	• Project vision and execution strategy: ○ Scope and novelty of the project. ○ Scope of each team member's component(s). ○ Practical feasibility of the project. ○ Value to university students • Individual contribution and role clarity: ○ Fair and logical distribution of workload among team members. • Communication and engagement: ○ Clarity and effectiveness of verbal communication. ○ Professionalism and presentation delivery (eye contact, body language, confidence). ○ Ability to respond effectively to panel questions and feedback. • Visual aids and presentation materials: ○ Quality and effectiveness of slides. • Time management: ○ Adherence to the allocated presentation time. ○ Effective pacing and balance between sections.
Presentation Guidelines	• The presentation should not exceed 10 minutes. Going beyond this limit will result in the presentation being stopped. • Each team member is required to present his/her responsible component. • Each group is expected to be at the presentation venue 5 minutes before the presentation. • Not being present for the presentation will result in zero marks for the assessment.
